## Book File Details:

*Review: I have been a Christian for 32 years, and have never read any other book that defines so precisely how and why and where to start reading your Bible. God uses speakers to speak to people and guide them, that way. That is how it has always been. This book tells you who our speaker is in the Church Age, how we should read his books first, and that will...*

*Description: One Book Rightly Divided tackles one of the most pressing theological debates of our time - how to properly interpret the scriptures. Unlike most hermeneutical works, this book empowers the student by presenting the Bible's own internal method of self-interpretation. The teaching of right division is not a new concept designed by the author, but rather...*
